ONE LOFT REGULATION (PORTUGAL)

Art. 17 - Sanitary Certification

1. Entry into the pigeons lofts of pigeons from Community countries or third countries shall be permitted only in accordance with the law established by the Direccção Geral de Alimentação e Veterinária (DGAV), in particular regarding the emission of health certificates of origin.

2. The entity that owns the pigeon loft, files the documents mentioned before, which may be requested at any time by the Federação Portuguesa de Columbofilia (F.P.C) or by the DGAV.

3. Where, due to health restrictions imposed by the official authorities, pigeon fanciers in particular countries cannot send pigeons, these cannot send official rings, registered in their name in their origin country, to ring youngsters of a breeder of the European Union .

- After they enter the loft, the youngsters are under the care of Derby Riachos organization, and only become her property after the organization pay to the owners, the amounts stipulated by the classification order, and all of the youngsters will be auctioned on the owner's name. The organization can arrange the sales, together with the auctions companies after the final race, and the percentage stipulated in the regulation (minus taxes and expenses of the sale) will be in fancier benefit. After the sale, the organization will take out the expenses*, and will send the rest of the amount to the fancier, and the remaining amount will be considered like donation to the organization.

*"Expenses of the sale", are legal taxes, pigeons photos and the commissions of auction companies.

Due to the date of the event, "DAYLIGHT" system will be used, considering the moulting of the youngsters.

- Delivery will be combined, on time, with the Organization:
