The training calendar and race day will be announced in due course.

Transportation to the release sites will be carried out in appropriate transport, equipped with a GPS system controlled by the Portuguese Pigeon Fanciers Federation

All training sessions and races scheduled may be changed due to weather conditions or other reasons beyond the control of the organisation. The decision of the organization is sovereign.

9. Final Race

The final competition will be a middle distance race of +- 400 km.

10. Classifications

For the classification 50% of the pigeons entered on each race will count, the points being calculated on the basis of the number of pigeons entered on the 1st race (EX. 1000 pigeons = 500 points)

The Ace Pigeon will be the one who obtains the highest sum of the points obtained in all the trials and will have to classify in the final race.

The winning team is the one obtaining the highest total of points obtained by the first two pigeons of the team in all races carried out.

In case of a tie the team with the highest number of points, obtained by their two best pigeons in the final race, will be the winner.

11. Auctions

After the race finishes, some youngsters will be auctioned on site. The rest will be auctioned online.

The owner will be entitled to 35% of the sale in all the pigeons that reach a value equal or higher than 100 euros at auction, the remaining amount will be donated to the Riachos Derby by the participant.

The amounts concerning the % sale of the auctioned pigeons will be paid, by the auctioneers, after all auctions are finished, and the pigeons are paid by the buyers. If a pigeon is sold and is not paid by the buyer, it is auctioned a second time. The percentage for the owner is 35% of the paid sale. If a pigeon is not paid twice, it will not be auctioned again.

All pigeons will be auctioned in the name of the participant, and the organization of the Riachos derby can coordinate the sales of the pigeons with the auction companies after the final race.

If a pigeon is not auctioned the first time, the owner loses the right to a percentage of a future sale.

In case the pigeon fancier is not able to elaborate a Pedigree he may request the organization of the derby to elaborate one
