The young birds for breaking in must be between 35 and 45 days old and must be vaccinated against Paramyxovirus (PMV) at least 10 days before being sent to the pigeon racing circuit. They will be housed in the pigeon racing loft of the Derby Riachos and their treatment, breaking in and preparation will be the responsibility of the Riachos Columbophile Derby.

Pigeons that are not accompanied by pedigree and ownership title, the owner loses the right to receive the percentage of the auction value. The pedigree must be in the possession of the organisation 15 days before the final race, beyond that the participant loses the right to the percentage in the sale.

Health certification Regulation on pigeonholes. Article 17 - Health certification 1. Only pigeons from Community or third countries may enter pigeon races subject to compliance with the rules laid down by the Directorate General for Food and Veterinary Affairs, in particular as regards the issue of health certificates of origin.

The owner of the pigeon racing centre shall archive the documents referred to in the previous paragraph, which may be requested at any time by the F.P.C. or the Directorate-General for Food and Veterinary Sciences. When, due to health restrictions imposed by the respective official authorities, pigeon fanciers from a particular country cannot send pigeons, they may not send official rings, registered in their name in the country of origin, to ring young pigeons of a breeder from the European Union.

After entering the loft, the young birds are taken care of by the organization of the Riachos Derby and only become their property, after the organization has paid the owners the values stipulated in the order of classification.

Due to the date of the event, the "Daylight" system will be used to control the moulting of pigeons' feathers.

The delivery will be combined, punctually, with the Organization, through our Contacts and through specialized companies for this purpose. (EX. GP loft) - (+351 910 031 388):

In case of death, disability, accident or loss of the young bird, it can be replaced until 31 May at no additional cost (except for shipping costs).

8. Training Calendar and Transport

The Training Calendar and Final Race Date will be released in due course.

The transport to the release sites, will be done in appropriate transport, and equipped with GPS system controlled by the Portuguese Racing Pigeon Federation

All the training sessions and races to be disputed and scheduled, may be changed for meteorological reasons, or for other reasons outside the organization. The decision of the organisation is sovereign.

9. Final Race

The final competition will be held in a middle-distance race of +- 400 Km.

10. Classifications

For the classification will count 50% of the pigeons sent, the score being calculated on the basis of the number of pigeons sent in the 1st race (EX. 1000 pigeons = 500 points)

The pigeon shall be the one that obtains the highest sum in all the points obtained in all the races carried out.

The winning team is the one that obtains the highest sum of all the points obtained by the first 2 pigeons of the team in all the races held. In case of a tie the team which obtains the highest number of points obtained by its best 2 pigeons in the final race will win.

The monetary prizes will be subject to the Stamp Tax at the rate in force and will be paid by means of a document valid for the finances (invoice or isolated act)

If there are fewer or more entries than indicated above, the prizes will be recalculated in proportion to the number of registered pigeons paid.

The final figures will be announced after registration closes, at the latest by 31 May 2021.

Prizes will be awarded on a date to be announced and settled by cheque or bank transfer.

12. Auctions

After the arrival of the race some youngsters can be auctioned on site. The rest will be auctioned online.

The owner will be entitled to 50% of the sale, (after deduction of the expenses incurred in carrying out the Online Auction: legal tax, photographs and commissions from the sales platform) on all pigeons that reach a value of EUR 150 or more in auction, with the rest being donated by the participant to the Derby Riachos.

All the pigeons will be auctioned on behalf of the participant and the organisation of the Derby Riachos will be able to coordinate the sales of the pigeons to the Auction companies after the final race.

If a pigeon is not bid on the first time it is auctioned, the owner loses the right to a percentage of a future sale.

If the pigeon fancier does not have the possibility to elaborate a Pedigree, he can ask the derby organization to elaborate it

13. Missing Cases

All omissions will be resolved by the Derby Riachos Organization in accordance with the provisions of the National Sports Regulations. Any eventuality that leads to conflict, not covered by this regulation, will be solved by the organization, governed by the national laws of Portugal, and this decision will be final. The official regulations will be in Portuguese language and the one posted on the event's website, as any translation into another language may have errors of understanding.
